

The Victoria County Fire Marshal's Office receives numerous phone calls from county residents regarding burn barrels. As a result, we have contacted several local welding companies and made inquiries as to what they provide. The Victoria County Fire Marshal's Office does not endorse/recommend any of the companies; we are merely providing you with some choices. The following are companies who have agreed to be included in a list to be distributed to the public.

1. Heibel's Blacksmith & Welding

703 E. Juan Linn St.

(361) 573-2213 - call for pricing

barrels **screens** made to order complete barrel/screen set

2. Koehne's Welding

1308 E. Commercial

(361) 576-3372 - call for pricing
